Dear Chris,

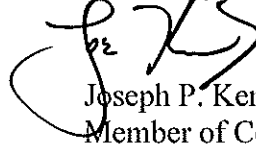

I wish you a warm welcome to the 15th annual Youth Leadership Summit for Sustainable Development and extend special greetings from Massachusetts' Fourth Congressional District, which I have the honor to represent in the United States Congress.

The Stone Soup Leadership Institute's goal of inspiring, educating and empowering young people such as yourself to take initiative in their communities is a critical step in ensuring the success and longevity of our oceans, island sustainability, as well as our planet.

As you participate in this year's Summit, I encourage you to ask questions, look for answers, and seek out opportunities to collaborate and address the challenges you encounter while attending this important event.

Again, best wishes on the occasion of your participation in the 15th annual Youth Leadership Summit for Sustainable Development.

Sincerely,

Joseph P. Kennedy III
